FUNDRAISING PROJECT 2024

Enabling our children to spend lots of time outdoors is important to us at Wellfield Infant & Nursery School.

Our fundraising project for 2024 is to provide a permanent canopy area for the reception class, to protect the equipment and to provide some shelter from the elements, for the kids and for parents during pick up!

We are looking to raise £10k towards this and after some fantastic fundraising effort in the autumn term, we have already raised £5k we are looking to continue this into the spring term.

If we are successful in our fundraising efforts we are hoping for the work to done towards the end of the summer term.

We hope you will join us in supporting our events that will create many happy memories of Wellfield for the children, and raise some money along the way!
