GREAT COMMUNITY GET TOGETHER

On Saturday 28th September, we are planning to hold our first "Great Community Get Together" as a joint event with the Juniors School.

We really want this event to represent our increasingly diverse community and are looking to invite people to bring along small taster plates of traditional food linked to their culture or from the country/ countries linked to their heritage.

We are also looking looking for diverse music and dance groups who can perform at the event.

If you think that you would like to get involved, please get in touch.

You can contact us on winspta@gmail.com

THANK YOU, THANK YOU, THANK YOU!

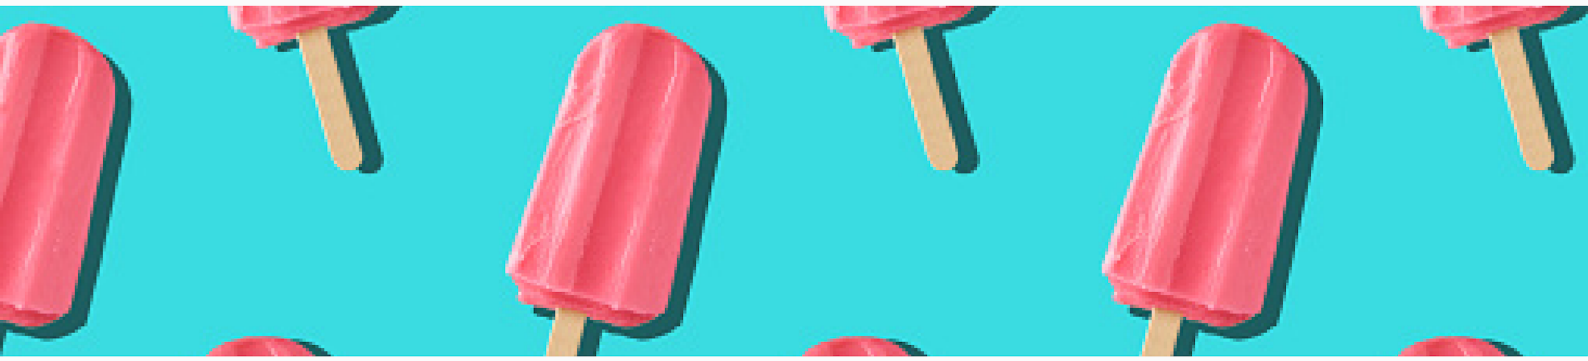

SUMMER 2024

It's been a busy school year, and we'd set ourselves a very ambitious target, but we're delighted to say that as the Summer term draws to a close, we have met our target of raising £10,000 to put towards the canopy for the reception playground. School have arranged for this work to be started in the October half term holiday, so hopefully by the time the weather really turns, there'll be plenty of shelter available.

Due to your generous donations, we have also been able to make donations towards choir t-shirts, coaches for school trips, and other small things that are "extras" for the children.

Thank you so much for all of your support!

COULD YOU HELP WITH THE PTA, OR ANY PTA EVENTS?

We are always looking for new PTA team members, so if you'd like to join the PTA team either as a full committee member, or without a specific role, get in touch. This can involve as much or as little commitment as you'd like; you'd be in full control over how much time you gave up to it.

Lastly, we would just like to say a huge thank you to all of the parents, family, carers and staff who have volunteered at our events throughout the year. They would not be possible without you, and we appreciate you all.
